got  
a great  
**deal**  
on a  
new  
**vehicle...**

# ...don't give it to **him** for **nothing**

## Facts on UK Vehicle Crime

In 37% of vehicle thefts, thieves have first broken into a home to steal the vehicle keys

Police state that carjacking is on the rise in the UK

Less than one in five vehicle thefts solved by the police

Only takes two hours to dismantle a stolen vehicle

Estimated 80,000 cloned vehicles on UK roads

Parts can be sold for three times vehicle value

Auto Theft Protect is a unique coding system that protects your vehicle from thieves.

A code is permanently etched on to your vehicle's windows by your dealer and cannot be removed.

The code, as unique as your fingerprint, makes your vehicle 55% less likely to be stolen.

# 55%

If an Auto Theft Protect coded vehicle is taken, it is 50% more likely to be recovered.

# 50%

## GUARANTEED

We are so confident with this system that if your vehicle is stolen and deemed a total loss, Auto Theft Protect product guarantee will give you up to £10,000 towards the purchase of your next vehicle from the original supplying dealer.
